Binder participation on RE Asia and REW Istanbul

On the Binder booth at the German Pavilion 's in Bangkok (left) and Istanbul (right) the customer could learn about the latest news from Binder and discussed the use of Binder products in their applications.

Renewable Energy Asia, 5-8 June 2013, Bangkok, Thailand REW Istanbul, 13-16 June 2013, Istanbul, Turkey

From 5 to 8 June was held the Renewable Energy Asia co-located together with Entech Pollutec at BITEK in Bangkok, Thailand. The show attracted almost 20.000 visitors from Thailand and South East Asia region.

From 13 to 16 June was held the REW Istanbul, a show focused on Recycling, Environmental Technologies and Waste Management. This year it was the 9th edition of the show and attracted as visitors almost 10.000 professional buyers from 57 countries.

At both exhibitions Binder took part with a booth on the German Pavilion's. We thank the numerous visitors for all the interesting discussions and promising opportunities. After all we are confident in a sustainable further business development for Binder in both regions.

COMBIMASS® Mass Flow Meters and Gas Analyzers of Binder are already well known and proven in industrial and biogas applications all over the world.

VACOMASS® Air Distribution Systems operate successfully in many WWTP's worldwide with considerable energy savings to the plant.
